

Dear Club Members,

Plans are in place for **July 17, 2010**, in conjunction with the Reliant World Series of Dog Shows the Texas Gulf Coast Vizsla will be hosting a Meet the breed session.

We will need Members to bring some of their dogs to the Meet the Breed are and show them off. You will also get to talk to people who might be interested in the breed.

A time and place will be posted at a later date.
